## COURT RESPONSE

Section 11205(h) VC states, "The court shall, within 30 days of receipt of the request for approval of the substitute name, inform the department and the school owner, on a form approved by the department of its approval or rejection of the substitute name."

- ☐ The proposed name is approved for publication on the TVS Classroom Location List
- ☐ The proposed name is **not** approved for publication on the TVS Classroom Location List for the following reason(s):

\*If a court disapproves a school name, the notification of disapproval shall include the name of the deciding judge. If a school name has been disapproved, the school has the right to a hearing pursuant to Section 11205(j)(2) VC to discuss whether the name violates established standards. If requested by the school, the court shall make every effort to schedule, conduct, and complete a hearing within 60 days of receipt of the school owner's request for school name approval. To request a hearing, a school shall submit a request in writing with a copy of this document, including the court's reason for disapproval, directly to the court involved. The sole issue to be discussed at the hearing shall be whether the name violates the standards set forth in Section 11205(d) VC.
